ACT371H1F L0101 – Basic Reserving Methods For P&C Insurance
Topics covered include reserving data and triangles, diagnoses methods that range from triangle of ratios of paid claims to reported claims to triangle of reported claim ratios. The syllabus also includes projection techniques.

Qualifications
Candidates should have excellent written and oral communication, teaching experience (particularly with English language learners), and experience responding to and evaluating student writing. Strong management and team skills (working collaboratively) are essential. Familiarity and experience in workplace/professional writing would be an asset. Candidates from writing-intensive disciplines are encouraged to apply.

Duties
Any or all of the following: work with the WIT (Writing-integrated teaching) Faculty Director and course instructors to develop and advise on reading and writing instruction assignments, rubrics, activities and resources for students, grade and give feedback on student writing and confer with the course instructor and WIT Director, collect and analyze student writing samples, and mandatory training in writing pedagogy.

Priya Sivathason
Sidney Smith Hall, Room SS 6025
100 St. George Street
Toronto, ON M5S 3G3
E-mail: job-apps@utstat.utoronto.ca

If during the application and/or selection process you require accommodation due to a disability, please contact job-apps@utstat.utoronto.ca.

This job is posted in accordance with the CUPE 3902 Unit 1 Collective Agreement. The Departmental Hiring Policy is available in the Department office and in the CUPE Local 3902 office. The University of Toronto is strongly committed to diversity within its community and especially welcomes applications from racialized persons / persons of colour, women, Indigenous / Aboriginal People of North America, persons with disabilities, LGBTQ persons, and others who may contribute to the further diversification of ideas. Note: Although a graduate student’s preference as to the campus location of his/her TA appointment will be taken into account, both the initial TA appointment (or CI appointment) and the subsequent appointment obligation related to that appointment may be met through position(s) on any one of the three University of Toronto campuses (UTM, UTSC or St. George) in courses in the same discipline as the initial appointment. TAs will only be assigned to courses in fields in which they are or should be qualified to assist. Duties of this position shall be performed at the campus on which the position is located. Where the duties are intended to be performed at another location, such other location will be specified in the posting.
