

**Regular Posting**

**FACULTY OF ARTS & SCIENCE**  
**Teaching Assistant – CUPE 3902, Unit 1**  
**September 1, 2024 - December 31, 2024**

**ACT371H1F - L5101 ELL TA – Basic Reserving Methods For P&C Insurance**

Topics covered include reserving data and triangles, diagnoses methods that range from triangle of ratios of paid claims to reported claims to triangle of reported claim ratios. The syllabus also includes projection techniques.

**Qualifications**

Required:

- o Evidence of writing competence in their discipline.
  - o Applicants must submit a writing sample, appended to the end of their CV.
  - o The writing sample should provide evidence of writing and communication skills, and not be technical in nature (e.g. journal or journal-like paper for your respective discipline would not be appropriate).
  - o Personal or academic writing sample are acceptable, provided they meet the criterion above.
  - o Writing sample should not exceed 5 pages in length (single-spaced, size 12 font). No minimum length.
- o Current PhD student familiar with statistics and with significant experience in research writing and/or consulting. Does not have to be enrolled in a Statistics program.
- o At least two years' experience as a course TA, whether leading tutorials, labs, or in-class instruction; or grading
- o Excellent oral and interpersonal skills, particularly the ability to work effectively with and show tact when communicating with course instructors and TAs
- o Strong administrative skills, including scheduling meetings and planning, time management, meeting multiple deadlines, and documenting work
- o Able to prioritize tasks
- o Strong facilitation and presentation skills and/or experience leading workshops
- o Intercultural competence, especially an understanding of the issues faced by multilingual and international students

**Relevant Criterion**

Previous experience is the more relevant criterion than the need to acquire experience in respect of this posted position.

**Duties**

As part of the English Language Learning (ELL) Initiative in Arts and Science, the Lead TA will work with the ELL Coordinators to support Course Instructors and train regular course SIAs in ACT371H1. The LTA will perform the following duties:

- o Participate in group training and peer mentoring sessions with the WIT and ELL program
- o 1:1 training with ELL coordinator
- o Meet with ELL coordinators and course instructors to plan course assignments and tutorials
- o Design and lead training sessions for course TAs on topics such as marking assignments and presentations, as well as planning tutorial activities integrating ACT371H1 course content to scholarly reading, professional writing, oral presentation, discussion skills, and intercultural communication
- o Develop and/or adapt existing resources on reading, oral presentation, and writing instruction for course instructors, TAs, and students
- o Communicate regularly with course instructors, ELL coordinators, and others to coordinate activities
- o Collect and summarize data (e.g., surveys, student writing samples, etc.)

*Duties of this position shall be performed on the St. George Campus.*

# Statistical Sciences UNIVERSITY OF TORONTO

*\*Note: Applicants for this position must be available for selected relevant sessions in the upcoming ELL TA Training. Sessions are currently planned to be held online July 25-27. The sessions are open equally to new and returning ELL Lead TAs.*
