

Schedule for STA257

Autumn 2018 with Prof Mark Ebden

You may want to put in your diary the **bolded** dates particularly

Assessments:

- Quiz 1 (2.5%): Wed **26 September** tutorials
- Quiz 2 (2.5%): Wed **10 October** tutorials
- Test (38%): In class on Mon **22 October** (section 1) or Wed **24 October** (section 2)
- Quiz 3 (2.5%): Wed **14 November** tutorials
- Quiz 4 (2.5%): Wed **28 November** tutorials
- Exam (52%): TBD, 8-21 December

Quizzes last ~10 minutes and tests last 100 minutes. All begin at 10 minutes past the hour. Weights above are conditional as per page 2 of the syllabus.

Collecting your graded assessments:

- Thanks to software called Crowdmark, you can see your graded work online.
- We had previously planned on returning quizzes and the test in paper form as well. However, we are sorry to report that this is not generally feasible with the large number of students.

Other dates:

- First tutorial: Wed 19 September
- Section 2 only: Because we'll miss a lecture on Thanksgiving Monday, 8 October, a makeup lecture will occur on Thursday **6 December** (we voted in class but are still waiting on administration to confirm; instructor has been following up)
- Extra TA office hours will occur from 5 to 6 pm on the day before each quiz (i.e. **25 Sep, 9 Oct, 13 Nov, and 27 Nov**), in the Stats Aid Centre, SS 623B
- Extra TA office hours will occur from 1 to 2 pm on Fri **19 October** and a date TBD in December, in the Stats Aid Centre, SS 623B
- The above does not include the New College Stats Aid Centre in WE 68A (Mondays 10 am - 3 pm, Tuesdays 10 am - 1 pm, Wednesdays 11 am - 4 pm, Fridays 2 pm - 4 pm)
- The last date for undergraduates to drop a course is Mon 5 November

This schedule is accurate as of 1 Nov 2018
