Regular Posting
FACULTY OF ARTS & SCIENCE
Teaching Assistant – CUPE 3902, Unit 1
January 01, 2023 to April 30, 2023

STA2212HS L0101 – Mathematical Statistics II
This course is a continuation of STA2112H. It is designed for graduate students in Statistics and Biostatistics. Topics include: Likelihood inference, Bayesian methods, Significance testing, Linear and generalized linear models, Goodness-of-fit, Computational methods.

Qualifications & Description
Applicants must be a senior PhD student in Statistics, Actuarial science, or Biostatistics. Proficiency/ knowledge in most, if not all, of the course topics above indicated.

Relevant Criterion
Previous experience is the more relevant criterion than the need to acquire experience in respect of this posted position.

Duties
Duties are in person otherwise specified and will include any or all of the following: attending lectures, leading tutorial sessions (includes preparing and planning), facilitating and evaluating in-person and/or on-line student engagement and discussion boards, participating in training sessions, meeting with the instructors, holding office hours, grading student homework including written reports, and assisting with grading of tests and exams.

Instructor: Nancy Reid
Estimated Course Enrolment: n/a
Meeting Schedule: [Current & Upcoming Timetable]
Approximate Hours of Work: 55 hours (per position)
Approximate Number of Positions: 1
Rate of Pay: UG/SGS I/II - $47.64/hour (+4% vacation pay)

Final availability of the position(s) is contingent upon enrolment, budgetary consideration and the determination of appointments as governed by the collective agreement.

Application Process
Application information is available at [https://www.statistics.utoronto.ca/employment-opportunities/cupe-positions-unit-1].
The deadline to submit your application is September 14, 2022. For more information, you may contact:

Karla Barrera
Interim TA Administrator
Department of Statistical Sciences
University of Toronto
E-mail: jobapps.statistics@utoronto.ca

If during the application and/or selection process you require accommodation due to a disability, please contact jobapps.statistics@utoronto.ca

This job is posted in accordance with the CUPE 3902 Unit 1 Collective Agreement. The Departmental Hiring Policy is available in the Department office and in the CUPE Local 3902 office. The University of Toronto is strongly committed to diversity within its community and especially welcomes applications from racialized persons / persons of colour, women, Indigenous / Aboriginal People of North America, persons with disabilities, LGBTQ persons, and others who may contribute to the further diversification of ideas. Note: Although a graduate student’s preference as to the campus location of his/her TA appointment will be taken into account, both the initial TA appointment (or CI appointment) and the subsequent appointment obligation related to that appointment may be met through position(s) on any one of the three University of Toronto campuses (UTM, UTSC or St. George) in courses in the same discipline as the initial appointment. TAs will only be assigned to courses in fields in which they are or should be qualified to assist. Duties of this position shall be performed at the campus on which the position is located. Where the duties are intended to be performed at another location, such other location will be specified in the posting.
