Regular Posting

FACULTY OF ARTS & SCIENCE
Teaching Assistant – CUPE 3902, Unit 1
July 1, 2023 – August 31, 2023

STA303H1S – L0101, *Methods of Data Analysis II*

Analysis of variance for one-and two-way layouts, logistic regression, loglinear models, longitudinal data, introduction to time series.

Qualifications

- Must demonstrate to have successfully completed a senior undergraduate course in regression analysis covering course topics or equivalent
- Experience in conducting linear regression analysis (logistic, loglinear), analysis of variance, longitudinal data, and some time series analysis. This includes assessment and correction of assumptions and appropriate model diagnostics
- Experience performing statistical analyses in R + R-Studio

Preferred:

- Experience in report writing and statistical communication
- Experience providing written and formative feedback to others or a demonstrated interest to develop such skills
- Familiarity with scientific report structure and best practices
- Experience answering variety of student questions (e.g. debugging code, writing advise, writing proofs and problem solving, data analysis techniques)

Relevant Criterion

Previous experience is the more relevant criterion than the need to acquire experience in respect of this posted position.

Duties

Duties are in person unless otherwise indicated and will include any or all of the following: attending lectures, running tutorial sessions, facilitating and evaluating student engagement on online discussion boards, participating in training sessions, meeting with the instructors, holding office hours, grading student homework including written reports, and assisting with the grading of tests and exams.

Duties of this position shall be performed on the St. George Campus.

Hours of work: approx.	75 hours per TA
Estimated Course Enrolment:	200 students
Tutorial Schedule:	https://timetable.iit.artsci.utoronto.ca/summer2023
Rate of Pay:	UG/SGS I/II - \$47.64/hour (+4% vacation pay)

Application Process

Application information is available at <https://www.statistics.utoronto.ca/employment-opportunities/cupe-positions-unit-1>. The deadline to submit your application is **April 4, 2023**. For more information, you may contact:
