

**Emergency Posting**

**FACULTY OF ARTS & SCIENCE**  
**Teaching Assistant – CUPE 3902, Unit 1**  
**June 2, 2025 – June 13, 2025**

**Statistical Sciences Research Program (UTSSRP) Project Mentor TA**

Summer Research Opportunities at the University of Toronto

The Statistical Sciences Research Program (UTSSRP) invites Canada's top statistics, data sciences, and mathematics undergraduates to engage in a transformative research experience. This program provides a unique blend of theoretical study and practical research, supervised by some of the foremost academics in the field.

Delivery Mode: In-Person

**Qualifications**

Required:

- Graduate level knowledge of probability-theory.
- Familiarity with project topic of risk assessment under model uncertainty.
- Research experience required.
- Proficient in R.

Preferred:

- Current graduate student in the Department of Statistical Sciences (PhD preferred).
- Prior small-group teaching experience, including preparing teaching materials (slides, activities, workshops, etc.)
- Able to work independently.

**Relevant Criterion**

Previous teaching experience and familiarity with the topic is required.

**Duties**

- Lead small group student meetings, which may include but not limited to the following activities: brainstorm and/or discuss ideas, suggest related papers, assist with computations, etc.
- Mentor small student groups on their project analyses.
- Provide project guidance to students on data analysis methods and modeling approaches.

*Duties of this position shall be performed on the St. George Campus.*
